

Celebrate 'One World Through Cooperative Finance' on International Credit Union Day 2024

Why do hundreds of millions of people worldwide choose credit unions? Because credit unions have a "people-first" philosophy that impels them to constantly improve their communities and the lives of their members. That local service feeds a worldwide network that reached more than 403 million members across the globe. On Thursday, October 17, 2024, join the credit union and financial cooperative members around the globe in celebrating 76 years of International Credit Union Day.

This year, we mark the 76th anniversary of ICU Day, and in celebration, Kansas Blue Cross Blue Shield Credit Union invites its current members and BCBS KS employees whom are eligible to open a membership, to join us at the Credit Union from 1p.m. to 2:30 p.m. for an ice cream sundae social.

For those opening a new membership on International Credit Union Day, you'll be eligible for an entry into a cash prize drawing of \$100. Current members who open any new account type will also be entered into a \$100 cash prize drawing.

Don't forget to pick up your Credit Union Calendars for 2025 during the event!
